

# **Steps to Join a Live Lecture Using Web Browser**

**Note:** A Web Browser (Preferably Google Chrome) can be used to join the Live Class. It can be used on laptop or mobile phone.

For any problem in logging into **XschoolApp** or **Google Meet**. Please visit school or contact school at 0294-2526176 or mail us at [stpauls@stpaulsudaipur.com](mailto:stpauls@stpaulsudaipur.com) . Please mention the subject as “**Problem With Logging In XSchoolApp/Google Meet.**” along with students Scholar No., Name, Class, Section and the problem being faced.

**STEP 1 - Open a web browser e.g. Google chrome and type the following link on the address bar**

**<https://meet.google.com>**

# STEP 2 – Click on join a meeting and you will be prompted for typing the username and password.

The screenshot shows the Google Meet website in a web browser. The browser's address bar displays 'apps.google.com/meet/'. The page header includes the Google Meet logo and navigation links: 'Overview', 'How it works', and 'Plans & pricing'. On the right side of the header, there are three buttons: 'Sign in' (circled in red), 'Join a meeting', and 'Start a meeting'. Below the header, a yellow banner reads 'Learn about our solutions for [education](#) and [healthcare](#)'. The main content area features the headline 'Premium video meetings. Now free for everyone.' followed by the text 'We re-engineered the service we built for secure business meetings, Google Meet, to make it free and available for all.' Below this text is a section with a blue 'Start a meeting' button, the word 'or', a text input field labeled 'Enter meeting code', and a 'Join' button. At the bottom left, it says 'Don't have an account? [Sign up for free](#)'. On the right side, there is a grid of nine video thumbnails showing various people in a meeting. A blue chat icon is visible at the bottom right of the grid. The browser's taskbar at the bottom shows several open tabs, all titled 'WhatsApp Image...jpeg', and the system clock indicates '10:49 AM 01-Jul-20'.

**STEP 3 – Now type the username and password that you received in the notification area of XschoolApp and click on sign in.**

A screenshot of the Google sign-in interface. At the top is the Google logo, followed by the text "Sign in" and "Use your Google Account". Below this is a text input field with the placeholder "Email or phone" and a vertical cursor. Under the input field is a link "Forgot email?". Further down is the text "Not your computer? Use Guest mode to sign in privately." with a link "Learn more". At the bottom left is a link "Create account" and at the bottom right is a blue button labeled "Next".
